

INSIDE THE PRESSURE

Episode 1 — Weight

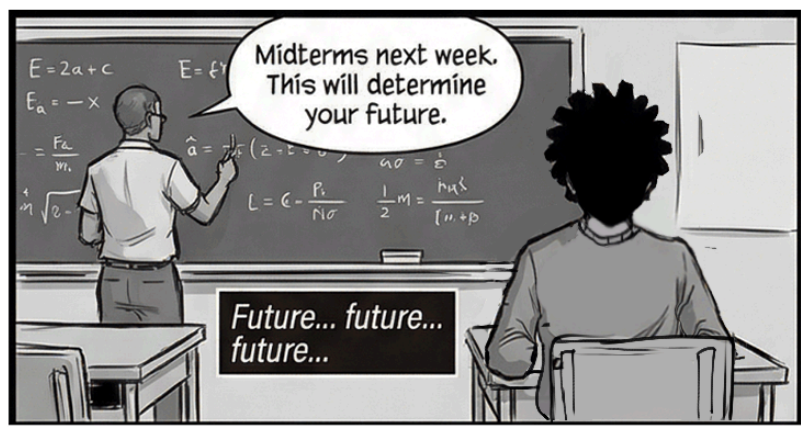

Every morning
feel the same...

Wake up... put on
the uniform... play
the role...

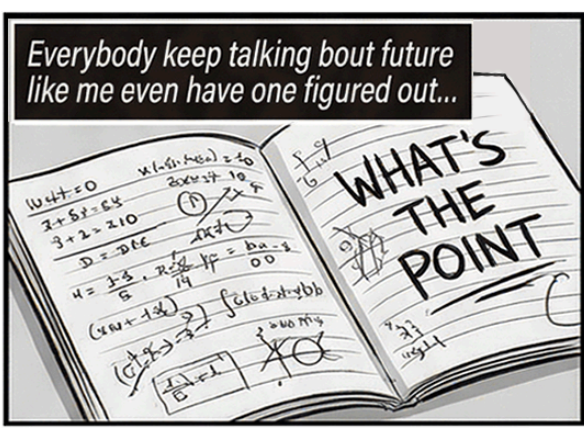

Money tight again...
same story every week...

Midterms next week.
This will determine
your future.

Future... future...
future...

Everybody keep talking bout future
like me even have one figured out...

Dem look like dem know
where dem going...

Me? Just moving... not
really going anywhere.

Just need to get home...
clear my head...

Something feel off...

BLAM!!

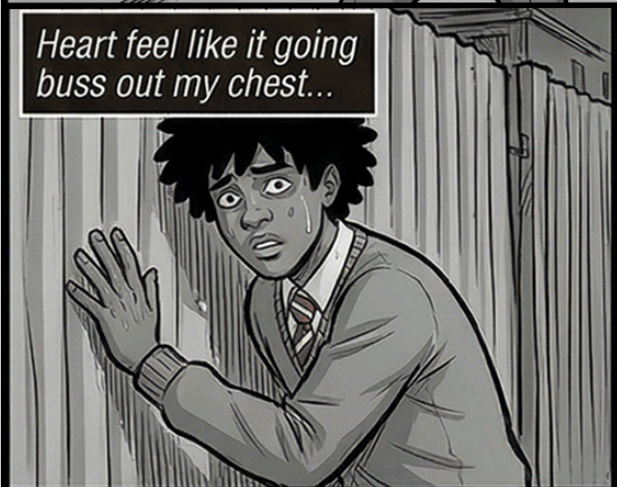

Wait — what —?

Run. Just run.

Heart feel like it going
buss out my chest...

...and just like that...
everything quiet again.

What's that...?

Should I even touch this...?

...nah... I should leave it...

But... what difference it make anyway...?

Everything already feel pointless...

Just once...

...this feel... better...

Maybe... this is the way out.
